

USACE CONTRACT VEHICLES

District, Contract Name, Description	Contract No.	Contract Capacity / Period of Performance	Prime Contract Holder	Dewberry POC (___@dewberry.com)
Prime / Joint Venture Contracts				
Baltimore District				
Multi-Discipline A/E IDIQ A/E design/master planning/programming/1391s/design-build RFPs/cost estimating/NEPA/LEED documentation/energy modeling/charrettes/presentations/site investigations/NPDES/permitting/geotechnical services.	W912DR20D0003	\$40M (SATOC) / 5 years (02/20 - 07/25)	GF-D Design Partners Joint Venture (Gannett Fleming-Dewberry JV)	Joe Wells jwells
Multi-Discipline A/E Services for Military Projects CLASSIFIED A/E design/master planning/programming/1391s/design-build RFPs/Cost estimating/NEPA/LEED documentation/energy modeling/charrettes/presentations/site investigations/NPDES/permitting/geotechnical services/programming.	W912DR19D0012	\$120M (MATOC) / 5 years (07/24 - 07/29)	Dewberry	Joe Wells jwells
Huntsville Engineering & Support Center				
Utility Monitoring and Control Systems (UMCS) Procurement & Installation Services World-Wide Procurement and installation; infrastructure: mechanical/electrical/commissioning/preventive maintenance/O&M/equipment inventories/existing conditions surveys/risk management/force protection/reporting and training.	W912DY20D0029	\$2.1B (shared pool) / 6 years (11/20 - 11/27)	Dewberry	Matt Dubrovich mdubrovich
ERDC-CERL Retro-Commissioning, Building Controls & Cybersecurity IDIQ Technical and Engineering Support Services to support USACE ERDC-CERL focusing on Retro-Commissioning, Specifications & Criteria Development, & Cybersecurity. NOT an AE Contract. NAICS 541690.	W9132T22D0003	\$10M (MATOC) / 5 years (08/22 - 08/27)	Dewberry	Dan Shepard dshepard
Mobile District				
Architect and Engineering (AE) Services to Support the Civil Work Program, Mobile District, South Atlantic Division, USACE Flood damage and risk reduction, coastal erosion, storm damage risk reduction and beach nourishment, shoreline and streambank erosion protection, shallow and deep draft navigation, environmental and ecosystem habitat restoration, wetland, fish, and wildlife mitigation evaluations, comprehensive watershed evaluations, environmental impact studies, and multi-purpose water resource projects.	W9127821D0042	\$36M (shared pool) / 5 years (08/24 - 08/29)	CCW AE Services JV (Gannett Fleming-Dewberry JV)	Sam Crampton scrampton

District, Contract Name, Description	Contract No.	Contract Capacity / Period of Performance	Prime Contract Holder	Dewberry POC (_@dewberry.com)
New York District				
General AE Services primarily Riverine Flood Risk Management and Ecosystem Restoration This contract will provide architect and engineering services for flood risk management projects including levees, flood walls, bridge replacements, bridge removal, closure structures, interior drainage facilities and non-structural and ecosystem restoration and mitigation projects. This includes, but is not limited to, preparation of studies, reports, design documents, plans, specifications, cost estimates; flood damage and benefit analysis; structural, geotechnical and geophysical investigations, Hydraulics and hydrology engineering; design and restoration improvements in wetlands, and project report preparations. The project area is primarily within the New York District boundaries and other Corps of Engineers locations within "NAD/MSC" boundaries.	W912DS23D0003	\$80M (MATOC) / 5 years (11/22 - 11/27)	Dewberry-GF USACE NAN Riverine JV Partners (51/49 split - Dewberry)	Rahul Parab rparab
Savannah District				
General Design Civil Works Projects Civil works A/E/reports/studies/cost estimates/construction plans and specs/environmental restoration/flood control/site planning/erosion controls/water control structures/utility systems design/value engineering/H&H studies/coastal engineering.	W912HN20D2000	\$15M (MATOC) / 5 years (08/20 - 08/25) 3 SATOCs but SAS is applying them as a MATOC	H D CW JV (HDR/Dewberry JV)	Sam Crampton scrampton
St. Louis District				
AEC Unrestricted Architect Engineer IDIQ Contracts for A/E Photogrammetric and Lidar Surveying and Mapping Aerial photogrammetry/lidar studies/geo-rectification/GIS mapping/remote sensing/geo-database development/satellite imagery/other geospatial processes.	W912P921D0038	\$22.6M (MATOC) / 5 years (09/21 - 09/26)	Dewberry	Bryan Deslauriers bdeslauriers
Subconsultant Contracts				
Institute for Water Resources (IWR)				
USACE IWR Analytical and Professional support Services in support of IWR The scope of this effort is intended to encompass all the Civil Works mission areas (i.e. Navigation, Flood Risk Management, Aquatic Ecosystem Restoration, Hydropower, Regulatory, Recreation, and Water Supply).	W912HQ22D0002	\$48.3M (MATOC) / 5 years (02/22 - 02/27)	ABT Associates	Jerry Sparks jsparks
Fort Worth District				
Vertical Construction MATOC The scope includes wide variety of construction services to include Design-Build or Design-Bid-Build new vertical construction, repairs, and alterations.	W9126G21R0020	\$300M (MATOC) / 7 years (04/25 - 04/32)	CCI	Tom Asbery tasbery
Honolulu District				
AE IDIQ MATOC Providing Cybersecurity Subject Matter Expertise for Indefinite-Delivery Architect-Engineer Services Contract (Architectural) Design for Miscellaneous Projects in the USACE Honolulu District Area of Responsibility.	W9128A19D0009	\$190M (MATOC) / 7 years (03/19 - 03/26)	Fung Associates, Inc.	Tom Asbery tasbery
Huntsville Engineering & Support Center				
Electronic Security System VII MATOC The ESS work consists of site surveys, preparation of technical data packages, procurement and installation, testing of hardware and software, and preparation/validation of cost data of IDS, EECS, Video, DTS, and command & control systems. Contract is world-wide.	W912DY22D0095	\$675M (shared pool) / 7 years (09/22 - 09/29)	Integrated Security Solutions Inc. and Infotec Systems Corporation	Matt Dubrovich mdubrovich

District, Contract Name, Description	Contract No.	Contract Capacity / Period of Performance	Prime Contract Holder	Dewberry POC (_@dewberry.com)
Architectural & Engineering Services in Support of Real Property Planning, Programming and Management Support Perform military construction (MILCON) programming, Master Planning, Facilities Assessments, Real Property Systems of Record, and other miscellaneous studies and/or analysis which focus on real property assets.	W912DY23D0008	\$160M (MATOC) / 5 years (02/23 - 02/28)	The Urban Collaborative, LLC	Jean O'Toole jtoole
Huntsville Center Access Control Point (ACP) Repair, renovation, conversion, alteration, additions, construction, equipment procurement/installation, and maintenance services on installed equipment/systems at Government installations and facilities. The contractor may be required to survey the problem areas, evaluate and recommend solutions, develop and implement work plans/designs in a timely manner within negotiated costs.	W912DY21D0105	8(a) set aside - \$95M (MATOC, shared pool) / 5 years (08/21 - 08/26)	Silver Lake - TMG JV2, LLC	Tim Culleiton tculleiton
Mobile District				
AE Services for PEAT Planning Environmental NEPA Master Planning Planning and Environmental Division include but are not limited to all products and studies associated with comprehensive environmental compliance; planning, conservation, NEPA, Environmental Supporting Studies, Master Planning, restoration/remediation design, pollution prevention, miscellaneous sustainment for Military, Civil, and Federal Agencies, and all phases of USACE Mobile District Civil Works projects including but not limited to preliminary studies through complete feasibility reports for ecosystem restoration, flood risk management, shallow and deep draft navigation, water supply, hurricane and storm damage reduction, recreation, plan formulation, socio-economic analysis, dredged material testing, water quality studies, and wetland delineation.	W9127820D0051	\$249M (MATOC) / 5 years (08/20 - 08/25)	Stell Environmental Enterprises, Inc.	Beth Smyre esmyre
Nashville District				
AE Hydrologic and Hydraulic Services MATOC Hydrologic and Hydraulic (H&H) Multiple Award Task Order Contract (MATOC) within the Great Lakes and Ohio River Division (LRD).	W912P524D0002	\$25M (MATOC) / 5 years (07/24 - 07/29)	Gannett Fleming TransSystems	Jerry Sparks jsparks
New York District				
USACE IDIQ A/E Design at Picatinny Arsenal Preparation of studies/concept and final designs/ SRM construction projects/planning charrettes/ professional engineering services/pre-design site assessment/feasibility and concept studies/geotechnical investigation/environmental investigations/site development/cost engineering/value engineering/life cycle costing/construction phase service.	W912DS20D0006	\$50M (SATOC) / 5 years (09/20 - 09/25)	MJ Engineering	Greg Mueller gmueller
West Point, MICC IDIQ contract to furnish AE services to USMA at West Point DPW. Full service AE contract that includes architecture, civil, structural, mechanical, electrical, fire protection, BIM, Land surveying, H&H analysis and design, life cycle analysis, QA, Geotech and energy management.	W911SD21D0005	\$24M (MATOC) / 5 years (04/21 - 04/26)	JMZ Architects and Planners, P.C.	Sarah Patterson spatterson
Omaha District				
USACE Mapping and Surveying Nationwide To include, but not limited to, Airborne and Land Based Remote Sensing (including Photogrammetry), Airfield Obstruction Surveys, Boundary Surveys, Topographic Surveys, Hydrographic Surveys, Computer-Aided Drafting and Design (CADD) and Geographic Information/Information Technology Systems (GIS) product development.	W9128F22D0026	\$45M (shared pool) / 5 years (01/22 - 01/27)	Aero-Graphics	Amanda Pommerenck apommerenck

District, Contract Name, Description	Contract No.	Contract Capacity / Period of Performance	Prime Contract Holder	Dewberry POC (__@dewberry.com)
Wilmington District				
AE Design Build Services IDIQ MATOC Design/Build, Development of Concept and Full Designs, Renovation/Repair Projects, Preparation of Project Definition and Programming Documents, Charrettes, Preparation of Technical Portions of Design-Build and Design-Bid-Build Solicitations, Commissioning and Construction Phase Design Services, Design Analysis and Detailed Construction Plans and Specifications. Additionally, Military task orders may include: Engineering Studies, Investigations, Life Cycle Cost Analyses (LCCA), Surveying (including topographic, hydrographic, boundary, facility condition assessments, precise alignment/deformation surveys and construction staking), GIS (mapping, analysis, geodatabase development, and application development) and Master Planning.	W912PM23D0004	\$49M MATOC / 5 years (02/23 - 02/28)	expFederal	Jacob Hilton jhilton
USACE AEC Small Business A/E IDIQ – MILCON and CW Program Military program: design charrettes/parametric design reports/parametric estimating/concept (35%) through final design and submittal/preparation of design-build request for proposal/interior design/architectural renderings/topographic surveys/permitting/value engineering/construction phase services; Civil works program: studies/investigations/survey/design/beach profile design hydrographic and beach surveys, topographic surveys and GIS services.	W912PM20D0002	\$24M (MATOC) / 5 years (07/20 - 07/25)	Native Technology Solutions (Chenega/ expFederal M/P JV)	Jacob Hilton jhilton
USACE AEC 8A SATOC or General Construction and or Design-Build Services (SATOC) New construction, minor rehabilitation, maintenance or repair of situations relating, but not limited to, site work, earth work, infrastructure, mechanical systems, utility systems, structural, electrical, and HVAC of Government facilities located in Fort Liberty and MOTSU.	W912PM21D0003	\$24.5M (SATOC) / 5 years (03/21 - 03/26)	Midnight Sun – Centennial JV	Mark Scott mscott
